ATTORNEY GENERAL

RE: Freedom of Information Act Request HQ-FOI-01841-12

Dear Attorney General Pruitt:

On September 14, 2012, the U.S. Environmental Protection Agency mailed to you a letter responding to your August 10, 2012, Freedom of Information Act request. However, due to a clerical error that incorrectly listed your mailing address, the U.S. Postal Service deemed the correspondence undeliverable and marked it "return to sender," "insufficient address" and "unable to forward."

Consequently, I am today sending once again the EPA's original letter and extending the deadlines for you to contact the EPA to discuss and modify your request and for which a written appeal must be received by the EPA. Please be advised that the new deadlines are 30 calendar days from the date of today's letter.

We at the EPA work hard to provide timely responses to all citizens seeking information, and I offer my sincerest apologies for any inconvenience that this postal error might have caused.

Sincerely,

A handwritten signature in black ink, appearing to read "Eric E. Wachter".

Eric E. Wachter  
Director
